

## SSBTR Jan 16. meeting minutes

Introductions and Thank you to Dr. Adrienne Scheck for her presentation on the ketogenic diet and brain tumor research as a whole!

Treasurer's Report: Our total in the bank is \$67,593.49. With 50,850 dollars coming from our mass mailing event. Thank you for all the help and volunteers! Furthermore, we have \$210,000 from the Wings of Freedom grant in a high-interest account. Thank you to our new sponsors including the Higgins Family, Team Sam the Lion, Phoenix Children's Hospital, the Hilliard Family, the Zach Hubbard Family, the Rudolph Family, Martha Brodde, General Mills, Ron and Linda Hirsch, George and Sons, and the Pokorney Family.

We have Flyers and Posters with information about the Cure-a-thon with QR codes for the signup available for those who want to hang them up!

Our T-shirts have been finalized; please check the school list to see if your school is missing. If your school is missing don't hesitate to get in touch with us so we can update the list.

Dance For a Cure will be held at BASIS Mesa this year and sign-ups will open for the event soon! Event date- March 1

Volunteers will be needed at the Persian Festival this year as SSBTR is once again partnering with them, we will need 2 students per hour for 3 shifts starting at 11am

Cure-a-thon registration is now open!

Pre-registration prices online from Jan 10. to Feb. 22 will be \$20 for students, \$35 for adults, Students 10 for \$100 until Feb. 22, and \$20 for survivors.

Registration at the gate will be \$25 for students and \$40 for adults.

Please encourage people to participate in the event and it comes with a NEW SSBTR t-shirt and food and entertainment.

If anyone would like to donate items to our silent auction held at the Cure-a-thon please donate these items by February 11th.

School and Co-chair reports.

Memory Boards will be at the walk and if anyone has a loved one that has been affected by brain tumors please let us know so we can commemorate them in our walk, we need them ASAP

Summer Program Opportunities include the TGen Helios Scholar Program, TGen Bioscience Leadership Academy, Barrows High School Internship, and KEYS.

Our next meeting will be held at TGen on February 5th for a tour.

Respectfully submitted,

Braydon Kim, BASIS Scottsdale
